

The logo consists of a white speech bubble with a green border and a tail pointing towards the bottom-left. Inside the bubble, the word "ask!" is written in a bold, purple, sans-serif font.

Do you have queries regarding education, occupational pathways and study?

We are the official career and course guidance service in canton Aargau and we are pleased to offer an information event program in English.

- You will become familiar with the Swiss educational system and which opportunities your child can choose from.
- You will learn how to support and guide your child during the process of educational decision making.

We offer answers and information to your queries in English. Please contact us now! www.unterwegs.bdag.ch

Our service for your career.

- Would you like support and guidance in your career management?
- Would you like a companion while developing new occupational perspectives?
- Would you like to find out more about your personality, your resources or your potential?

If your answer is "YES" we can help!
Please contact us for further information about our services!
